MONTHLY PROGRESS REPORT

Name of Listed Issuer: **GOLDEN AGE EXPLORATION LTD.**
(the "Issuer" or the "Company").

Trading Symbol: **GDN**

Number of Outstanding Listed Securities: **23,570,001**

Date**: August 9, 2026 (for the month ended July 31, 2026)**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered, nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Pursuant to its news releases dated April 15, 2026 and August 4, 2026, the Issuer entered into a definitive share purchase agreement dated July 31, 2026 (the "Agreement") with MRG Resources Pty Ltd., Mac Minerals Pty Ltd., Sunbird Resources Pty Ltd., Ross Brown, Rob Heaslop (collectively, the "Vendors") and Mineral Road Partners Inc. ("MRP") and 1322645 B.C. Ltd. (together with MRP, the "Optionors"), pursuant to which the Issuer has agreed to acquire 100% of the issued and outstanding shares of Mac Minerals Pty Ltd. ("MAC"). MAC holds a portfolio of uranium exploration licences located in South Australia, including a substantial land position within the emerging Hamilton Basin uranium district (each, a "Property" and together, the "Properties").

Transaction Summary

Under the terms of the Agreement, the Issuer will acquire all of the issued and outstanding shares of MAC in consideration for:

- **Cash payments totaling CA$150,000, consisting of CA$100,000 payable to MRP at closing and CA$50,000 payable to Sunbird Resources Pty Ltd. (paid);**
- **The issuance of an aggregate of 6,000,000 common shares of the Issuer to MRP and its designees;**
- **Reimbursement of certain historical expenditures incurred in connection with the Property; and**
- **As previously disclosed in the Issuer's news release dated April 15, 2026, the Agreement provides for performance-based milestone payments to the Vendors of up to CA$3.95 million, plus an additional CA$2.0 million for each Property on which a uranium resource of at least 30 million pounds is defined, subject to the achievement of specified exploration, drilling, and resource development milestones.**

Further, the Issuer has agreed to:

- **undertake an aggregate of CA$1.5M of in-ground expenditures (the "First Expenditure Commitment") on the Properties within 24 months of the signing of the Agreement (the "First Expenditure Period"). Any shortfall on the First Expenditure Period can be satisfied through payment of cash or shares of the Issuer. If the First Expenditure Commitment is not met within**

30 days of the expiry of the First Expenditure Period, the Properties can be reacquired by the Vendors for CA$5,000 per Property;

- **undertake an aggregate of CA$2.5M of in-ground expenditures (the "Second Expenditure Commitment") on the Properties within 36 months from the end of the First Expenditure Period (the "Second Expenditure Period"). Any shortfall on the Second Expenditure Period can be satisfied through payment of cash or up to CA$1.25M can be satisfied in shares of the Issuer. If the Second Expenditure Commitment is not met within 30 days of the expiry of the Second Expenditure Period, the Properties can be reacquired by the Vendors for CA$5,000 per Property.**
- **grant the Vendors the right to nominate one director to the Company's board while maintaining certain ownership thresholds. In addition, Ross Brown and Rob Heaslop are expected to be retained as consultants to the Company to assist with project advancement in Australia; and**
- **grant Sunbird Resources Pty Ltd. a 2.0% net smelter returns royalty on the Properties upon commencement of commercial production. The Issuer will retain buyback rights over portions of the royalty under certain conditions.**

On April 29, 2026, the Issuer announced that it will be undertaking a private placement of up to 2,500,000 units priced at CA$0.20 per unit to raise up to CA$500,000. Each unit will consist of one common share and one half of one share purchase warrant. Each whole warrant will entitle the holder thereof to purchase an additional share of the Issuer at a price of CA$0.35 per share subject to acceleration provisions. As at July 31, 2026, the Issuer has not closed on any tranches in the private placement.
