FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: **World Blockchain Corp. formerly Cascadia Blockchain Group Corp. (the "Company" or "World")**

Trading Symbol: **WBG (formerly "CK")**

Number of Outstanding Listed Securities: **95,043,359**

Date: **August 5th, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   The Company is actively looking for blockchain projects that are ready for commercial application and expects to generate revenue from sales of blockchain enterprise solutions.

   On May 22nd, 2026, the Company filed the audited annual financial statements for the year ended January 31st, 2026.

On June 26, 2026, the Company announced that it has elected to adopt semi-annual financial reporting pursuant to Coordinated Blanket Order 51-933 – Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers ("CBO 51-933").

The Company confirms that it meets the eligibility requirements under CBO 51-933, and has therefore elected to transition from quarterly financial reporting to semi-annual financial reporting.

As a result of its election under CBO 51-933, the Company will not be required to file interim financial statements and MD&A for the three-month period ended April 30, 2026, or the nine-month period ended October 31, 2026. Instead, the Company intends to file interim financial statements and MD&A for the six-month period ending July 31, 2026, in accordance with the requirements of CBO 51-933.

The Company will continue to file audited annual financial statements and annual MD&A in accordance with applicable securities legislation and will continue to disclose all material changes and significant developments affecting its business as required under applicable securities laws.

Management believes that the adoption of semi-annual reporting will reduce compliance and administrative costs while allowing the Company to focus resources on advancing its business objectives and creating long-term shareholder value.

2. Provide a general overview and discussion of the activities of management.

The management focused on business development and searching for right strategic partnership and acquisition opportunities to accelerate the implementation of the Company's business plan in both fintech and blockchain lab divisions.

Effective on July 22, 2025, upon approval from the Canadian Securities Exchange (the "CSE"), the Company changes its name from Cascadia Blockchain Group Corp. to World Blockchain Corp.

Further to the name change, effective on November 18, 2025, the Company's common shares start to trade on the CSE under the new ticker symbol "WBG" replacing "CK" to reflect improved and consistent brand alignment between the Company and its publicly traded equity.

The changes reflect the Company's evolving strategic direction and global focus within the blockchain sector.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

The management focused on business development and searching for right strategic partnership and acquisition opportunities to accelerate the implementation of the Company's business plan in both fintech and blockchain lab divisions.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

N/A

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services,

joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

On October 14, 2025, the 100% controlled China-based subsidiary Tianjin Bocui Technology Ltd. was dissolved.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

   N/A

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

   N/A

8. Describe the acquisition of new customers or loss of customers.

   N/A

(1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

    N/A

16. Provide details of any changes in directors, officers or committee members.

    N/A

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

    The Company has historically relied upon equity financings to satisfy its capital requirements and will initially continue to depend heavily upon equity capital to finance its activities. The Company is convinced that it will need additional capital in the future to finance daily operation and business acquisition and such capital will have to be derived from the exercise of outstanding stock options, warrants and/or the completion of other equity financings and additional sales contracts.

    The Company has limited financial resources and has no assurance that additional funding will be available to it for future development of its projects, although the Company has been successful in the past in financing its activities through the sale of equity securities and loans from insiders. The ability of the Company to arrange additional financing in the future will depend, in part, on the prevailing capital market conditions and success in its projects.

    There can be no assurance that continual fluctuations in the Company's share prices will not occur or that these fluctuations will not affect the ability of the Company to raise equity funding, and if at all, without causing a significant dilution to its existing shareholders. Any quoted market for the common shares may be subject to market trends generally, notwithstanding any potential success of the Company in creating revenue, cash flows or earnings.
