Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On July 30, 2026, the Issuer announced that it has elected to voluntarily participate in the Semi-Annual Financial Reporting Pilot (the "SAR Pilot")

program. The SAR Pilot was introduced by the Canadian Securities Administrators (the "CSA") under Coordinated Blanket Order 51-933 *Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers*.

By participating in the SAR Pilot, the Issuer is exempt from the requirement to file interim financial reports and associated Management's Discussion and Analysis ("MD&A") for the first and third financial quarters of its financial year . The Issuer, which has a March 31 financial year end, will continue to file its audited annual financial statements and its semi-annual interim financial reports (for the second financial quarter), along with the related MD&A and officer certifications, within the timelines required by applicable securities laws.

The Issuer's board of directors approved the transition to semi-annual reporting to significantly reduce the administrative and compliance burdens associated with quarterly reporting. This shift allows management to optimize resource allocation, redirect executive time and corporate capital directly toward enhancing the Issuer 's core business operations and strategic growth initiatives. The Issuer confirms it meets all the eligibility criteria to participate in the SAR Pilot, including having annual revenues of $10 million or less in its most recent audited financial statements.
