Name of Listed Issuer: **Canadian Copper Inc.** (the "Issuer").

Trading Symbol: **CCI**

Number of Outstanding Listed Securities: **200,441,421**

Date: **August 6, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   The Company completed several milestones in July. First, the Company announced the results of its AGM held in June, at which the Shareholders re-elected all the Company's current board of directors, as well as approved the appointment of the Company's current auditor, McGovern Hurley LLP. The Company's shareholders also re-approved the Company's existing

stock option plan. Second, the Company [filed its EIA] for the Murray Brook development strategy. Third, closed its previous announced OR Royalties financing. Last, the Company closed and completed its [Caribou Mine transition.]

2. Provide a general overview and discussion of the activities of management.

   Management was largely focused on required documentation to complete the OR financing, as-well as working with various groups to facilitate the closing of the Caribou Process Plant transaction. Active exploration around the Murray Brook started in July, which management was also focused on. Several key hires occurred this month, too, which are required to manage the Caribou Process Plant.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

   None.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
