FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Gold Runner Exploration Inc. (formerly Crestview Exploration Inc.** (the "Issuer").

Trading Symbol: **GRUN**

Number of Outstanding Listed Securities: **18,023,607**

Date: **August 4, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   On July 7, 2026, the Issuer announced, further to its press release dated May 26, 2026, that the radiometric and airborne magnetic surveys for its Golden Girl project in the Golden Triangle of British Columbia had commenced. Data acquisition had been completed, and processing and interpretation of the data was underway and was expected to be ready and available for further guidance by the Issuer's field teams by the time they mobilized. Mobilization was scheduled for July 12, 2026, with field work beginning on July 13, 2026.

   On July 23, 2026, the Issuer announced that it had received a 5-year drilling permit from the BC Ministry of Mines and Critical Minerals for its Golden Girl Property. The

drilling permit was valid and in good standing until March 31, 2031 and allowed for up to 100 drilling locations on the Golden Girl Property.

The Issuer also announced that the 2026 surface exploration program was underway as scheduled with mobilization completed on July 12, 2026, and field work having begun on July 13, 2026. The first batch of rock, grab and channel cut samples from the Golden Girl Property had been rushed to MSA Labs in Terrace, British Columbia for analysis on July 20, 2026. It was anticipated that rock, grab and channel cut sample batches would be shipped to the laboratory at regular intervals throughout the summer 2026 field campaign. During this summer campaign, the team would identify and locate priority drill targets for the Issuer's future inaugural drill program.

2. Provide a general overview and discussion of the activities of management.
