

AURWEST ANNOUNCES SHARE CONSOLIDATION

Calgary, Alberta (September 3, 2026) – **Aurwest Resources Corporation ("Aurwest" or the "Company") (CSE: AWR)** announces that its Board of Directors has approved a consolidation of the Company's issued and outstanding common shares ("Common Shares") on the basis of every ten (10) pre-consolidation Common Shares for every one (1) post-consolidation Common Share (the "Consolidation"). Pursuant to the *Business Corporations Act* (British Columbia) and the Company's articles the Board of Directors is authorized to approve certain changes to the Company's capital structure, including the Consolidation.

The Board of Directors of the Company believes that the proposed Consolidation will strategically enhance Aurwest's market position by reducing the number of outstanding shares, thereby creating a more attractive share structure that is expected to broaden investor appeal and better position the Company ahead of its exploration program at its Weaver Lake gold project and its exploration program at Porter Lake uranium project.

The Canadian Securities Exchange ("CSE") has approved the Consolidation, and the Consolidation is expected to become effective on or about September 9, 2026. The name of the Company and its trading symbol will remain unchanged. The new CUSIP number for the post-Consolidation Common Shares will be 05208Y203 and the new ISIN will be CA05208Y2033.

The Company currently has 125,120,604 Common Shares issued and outstanding. Following the Consolidation, the Company expects to have approximately 12,512,060 Common Shares issued and outstanding, subject to rounding. No fractional Common Shares will be issued pursuant to the Consolidation.

The exercise or conversion price of, and the number of Common Shares issuable upon the exercise or conversion of, all outstanding securities convertible into Common Shares will be adjusted proportionately in accordance with their terms to reflect the Consolidation.

Registered Shareholders will receive a letter of transmittal from the Company's transfer agent, Olympia Trust Company, with instructions for exchanging certificates representing pre-Consolidation Common Shares for a share certificate or Direct Registration System advice representing the post-Consolidation Common Shares to which they are entitled. Shareholders who hold their Common Shares through an intermediary are not required to take any action to effect the Consolidation.
