Graycliff Exploration Uplisted to OTCQB Venture Market

Toronto, Ontario--(Newsfile Corp. - July 9, 2026) - **Graycliff Exploration Limited** (CSE: GRAY) (OTCQB: GRYCF) (FSE: GE0) (the "**Company**" or "**Graycliff**") announces that it has been approved to uplist from the OTC Pink market to the OTCQB Venture Market (OTCQB), operated by OTC Markets Group Inc. The OTCQB, established in 2010, is the premier U.S. marketplace for early-stage and developing companies. Designed to provide improved visibility and greater access to U.S. investors, the OTCQB is recognized by the U.S. Securities and Exchange Commission (SEC) as an "established public market." The uplisting was effective as of July 7, 2026, and the Company will continue to trade under the ticker symbol **GRYCF** in the United States, with its shares also listed on CSE under **GRAY** and on Frankfurt Stock Exchange under **GE0**.

Graycliff believes this milestone will support increased liquidity, enhance transparency, and attract a broader base of retail and institutional investors in the U.S. capital markets. The Company has also submitted an application to The Depository Trust Company ("DTC") to make its common shares eligible for electronic clearing and settlement in the United States. DTC eligibility, once obtained, is expected to simplify the process of trading and transferring the Company's securities between brokerage firms, which may enhance liquidity and improve access for U.S. investors.

James Macintosh, Chairman of Graycliff, commented: "This uplisting marks an important step in our growth strategy. Trading on the OTCQB Venture Market aligns with our commitment to increasing shareholder value, improving market visibility, and maintaining high standards of corporate governance."

The Company also announces that it has entered into an advertising and investor awareness campaign with Dig Media Inc. dba Investing News Network (INN). INN is a private company headquartered in Vancouver, Canada, dedicated to providing independent news and education to investors since 2007 at www.investingnews.com. For the 6 month term of the agreement starting July 30, 2026, INN will provide advertising on its website to increase awareness of the issuer. INN does not provide Market Making services. The cost of the campaign is $60,000. INN can be reached at 604-688-8231 or info@investingnews.com.

About Graycliff Exploration Limited

Graycliff Exploration is a mineral exploration company focused on its 1,366 hectares of prospective ground, located roughly 88 kms west of Sudbury on the prolific Canadian Shield. The Company's Shakespeare Project consists of one crown patented lease, two crown leases and 82 claims on a property associated with the historic Shakespeare Gold Mine, which operated from 1903 to 1907. Graycliff to date has drilled over 12,900 metres, with visible gold mineralization and significant gold assay intervals in numerous drill holes.
