Tenet Signs Partnership Agreement to Bring First wave of Chinese Import/Export Businesses to Cubeler Platform

Toronto, Ontario--(Newsfile Corp. - July 23, 2026) - Tenet Fintech Group Inc. (CSE: PKK) (OTC Pink: PKKFF) ("**Tenet**" or the "**Company**"), an innovative analytics service provider, owner and operator of the Cubeler Business Hub, today announced that it has signed a partnership agreement with the Shanghai Guiqi Trading Company Ltd. ("SGT") for the registration on the Cubeler Platform of SGT's import/export small and medium enterprise clients.

SGT (https://porsinshop.top) provides import/export brokerage services to approximately 2,000 Chinese SMEs located in 13 provinces including Jiangsu, Zhejiang and Guangdong. Tenet is particularly focused on bringing Chinese import/export SMEs to Cubeler during the summer and fall of 2026 to increase the likelihood of establishing meaningful partnerships between Canadian and U.S. SMEs and those Chinese SMEs ahead of the launch of the revamped Cubeler Business Hub in Canada and the U.S., planned for August 2026. The revamped platform will introduce platform members to the "SME Match" agentic AI feature, which consists in the continuous analysis of the registered SMEs' data to match them with business opportunities both locally and internationally. Tenet believes that today's announced partnership will help attract SMEs from all three countries to the platform and bring the international aspect of the platform to the forefront as the Company looks to gradually expand its services to help connect SMEs around the globe.

Under the terms of the partnership agreement, SGT will be able to charge its clients a service fee related to the revenue that they generate from any foreign partnerships realized as a result of a connection made on Cubeler. Meanwhile, Tenet will benefit from the increased data the new SMEs will bring to the Cubeler Platform, including valuable import/export commercial data linked to all three countries. The partnership with SGT marks the first of a planned series such partnership, specifically targeting import/export SMEs, that Tenet is pursuing to help with the global expansion of the Cubeler Business Hub.
