Sekur Private Data Ltd. Announces Non-Brokered Private Placement

VANCOUVER, BC – JUNE 11, 2025 – Sekur Private Data Ltd. (OTCQB:SWISF)(CSE:SKUR) (FRA:GDT0) (“Sekur” or the “Company”), a leading Swiss-hosted and on-premises sovereign defense communications and cybersecurity company purpose-built for defense, intelligence community, government, and enterprise clients, is pleased to announce a non-brokered private placement to raise gross proceeds of up to CA$2,000,000 (US$1,400,000) (the "Private Placement") through the issuance of up to 20,000,000 units (each a "Unit"). Each Unit consists of one common share (a "Share") priced at CA$0.10 (US$0.07) per share, and one full share purchase warrant (a "Warrant"). Each Full Warrant will entitle the holder to purchase a Common share at a price of CA$0.14 (US$0.10) per share for a period of 36 months from the closing date (the "Warrant Term").

The Company intends to use the net proceeds of the Private Placement for sales efforts of its upcoming SekurOne solution and U.S. Government sector sales, as well as general business development and general working purposes.

Shares issued pursuant to the Financing will be subject to a four-month hold period according to applicable securities laws of Canada.

Finders' fees may be payable on the private placement, subject to the policies of the Canadian Securities Exchange.

Forward-Looking Information

This news release contains certain forward-looking information within the meaning of applicable Canadian securities laws ("forward-looking statements"). All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "project" and similar words, including negatives thereof, suggesting future outcomes or that certain events or conditions "may" or "will" occur. These statements are only predictions. These statements reflect management's current estimates, beliefs, intentions and expectations; they do not guarantee future performance. Sekur cautions that all forward-looking statements are inherently uncertain, and that actual performance may be affected by a number of material factors, many of which are beyond Sekur's control. Such factors include, among other things: risks and uncertainties relating to the future of the Company's business; the success of marketing and sales efforts of the Company; the projections prepared in house and projections delivered by channel partners; the Company's ability to complete the necessary software updates; increases in sales as a result of investments software development technology; consumer interest in the Products; future sales plans and strategies; reliance on large channel partners and expectations of renewals to ongoing agreements with these partners; anticipated events and trends; the economy and other future conditions; and other risks and uncertainties, including those described in Sekur's prospectus dated May 8, 2019, filed with the Canadian Securities Administrators and available on www.sedarplus.ca. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, Sekur undertakes no obligation to publicly update or revise forward-looking information.
