THE ANONYMOUS INTELLIGENCE COMPANY

ANONYMOUS INTELLIGENCE EXERCISES OPTION TO INCREASE STRATEGIC INVESTMENT IN ARKHIVE TECHNOLOGIES

News Release – Vancouver, British Columbia – August 4, 2026 – Anonymous Intelligence Company Inc. (CSE: ANON) (OTC: ANICF) (FRANKFURT: 1JI0) (the "**Company**" or "**ANON**"), a leader in privacy-focused artificial intelligence and decentralized technologies, is pleased to announce that it has entered into a supplemental strategic investment agreement (the "**Supplemental Agreement**") with ARKHIVE Technologies Ltd. ("**ARKHIVE**") pursuant to which ANON has exercised its option to increase its strategic investment in ARKHIVE from ten percent (10%) to twenty percent (20%).

As previously announced on June 15, 2026, ANON acquired an equity interest in ARKHIVE through the purchase of 100,000 common shares of ARKHIVE for aggregate consideration of $200,000 and was granted an exclusive option to acquire an additional ownership interest on substantially similar terms.

Pursuant to the Supplemental Agreement, ANON is pleased to announce that it has elected to exercise that option and acquire an additional 100,000 common shares of ARKHIVE, increasing its aggregate ownership interest to 200,000 common shares, representing twenty percent (20%) of the issued and outstanding common shares of ARKHIVE. In consideration, ANON will issue 800,000 common shares of ANON to ARKHIVE at a deemed price of $0.25 per share, for aggregate deemed consideration of $200,000.

Denis Franks, CEO of ANON, commented, "Increasing our investment in ARKHIVE reinforces our confidence in the team, its technology, business strategy, benefit to the Solana blockchain community, and our shared long-term vision. We also believe this expanded strategic relationship further strengthens our position in the rapidly evolving blockchain, Web3 and decentralized technology sectors while creating tremendous additional opportunities for collaboration across artificial intelligence, blockchain infrastructure and tokenized ecosystems."

Antoine Lavoie, Founder and CEO of ARKHIVE, commented, "ANON's decision to increase its ownership in ARKHIVE is a strong endorsement of our vision, our technology and the relationship we have built together. This expanded investment further aligns our long-term interests and reflects a shared commitment to accelerating innovation, creating value for our respective shareholders, and building the next generation of AI, blockchain and decentralized technologies together."

As previously announced, the strategic alliance between ANON and ARKHIVE is intended to accelerate innovation across artificial intelligence, blockchain technologies, cryptocurrency solutions, decentralized applications and tokenized ecosystems. The parties intend to pursue a range of strategic collaboration opportunities, including technology integration, joint development initiatives, research collaboration and cross-marketing activities. In addition, the ARKHIVE team will play an integral role in the continued development of the Anonymous Intelligence cryptocurrency. More information about SimpliiCrypto is available at: simpliicrypto.com

The Consideration Shares will be issued pursuant to applicable exemptions from the prospectus requirements of Canadian securities laws and will be subject to a statutory hold period of four months and one day from the date of issuance, in accordance with applicable securities laws.

Closing of the transaction is subject to the satisfaction of customary closing conditions, including receipt of approval from the Canadian Securities Exchange.

On Behalf of the Board,
ANONYMOUS INTELLIGENCE COMPANY INC.

Denis Franks
CEO

Forward-Looking Information

This news release contains certain forward-looking statements and forward-looking information within the meaning of applicable Canadian securities laws (collectively, “forward-looking statements”). Forward-looking statements are frequently, but not always, identified by words such as “expects”, “anticipates”, “believes”, “intends”, “plans”, “estimates”, “may”, “will”, “would”, “could”, “should”, “potential”, “continue”, “future”, and similar expressions, including negative variations thereof.

Forward-looking statements in this news release include, but are not limited to, statements regarding: the completion and timing of the transactions contemplated by the supplemental strategic investment agreement between ANON and ARKHIVE; the issuance of the consideration shares; the receipt of all required corporate, regulatory and Canadian Securities Exchange approvals; ANON increasing its ownership interest in ARKHIVE to 20%; the anticipated benefits of the expanded strategic relationship; future collaboration opportunities between the parties; the integration of technologies, products and services; the development, commercialization and growth of Simplii Crypto and other blockchain-related initiatives; the expansion of ANON's technology ecosystem; and the future growth, business plans, objectives and prospects of ANON and ARKHIVE.

Forward-looking statements are based on management's current expectations, estimates, projections, assumptions and beliefs as of the date of this news release. Such assumptions include, without limitation, that the conditions to closing will be satisfied in a timely manner or at all, that all required approvals will be obtained on acceptable terms and within anticipated timelines, that the parties will successfully pursue collaboration opportunities, that market conditions will remain favourable, and that the anticipated strategic, operational and commercial benefits of the relationship will be realized.

Forward-looking statements are subject to known and unknown risks, uncertainties and other factors, many of which are beyond the Company's control, that may cause actual results, performance or achievements to differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation: the inability of the parties to complete the transactions on the terms contemplated or at all; failure to obtain required approvals; changes in market, economic, regulatory or competitive conditions; risks associated with blockchain, cryptocurrency and emerging technologies; technological development risks; cybersecurity risks; the inability to successfully implement strategic initiatives; risks relating to the integration and commercialization of technologies; dependence on key personnel; financing risks; and other risks disclosed in the Company's public disclosure documents available under the Company's profile on SEDAR+ at www.sedarplus.ca.

Readers are cautioned not to place undue reliance on forward-looking statements, as actual results may differ materially from those expressed or implied by such statements. Except as required by applicable securities laws, the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. All forward-looking statements contained in this news release are expressly qualified in their entirety by this cautionary statement.
