Izotropic Closes Non-Brokered Private Placement

Vancouver, British Columbia and Casablanca, Morocco--(Newsfile Corp. - October 6, 2026) - **Izotropic Corporation (CSE: IZO) (OTCQB: IZOZF) (FSE: 1R3)** ("**Izotropic**", or the "**Company**"), a medical device company commercializing IzoView, a dedicated breast CT imaging system for the more accurate screening and diagnosis of breast cancers, announces that further to its September 25th announcement it has completed a non-brokered private placement financing (the "**Offering**"), whereby the Company issued 750,000 units (each, a "**Unit**") at a price of $0.20 per Unit for gross proceeds of $150,000.

Each Unit consists of one common share and one transferable warrant (each, a "**Warrant**"), and each Warrant entitles the holder to purchase one additional share at a price of $0.30 per share for a period of three (3) years from closing of the Offering.

The use of proceeds from the Offering will be used for general working capital.

All securities issued in connection with the Offering will be subject to a statutory hold period of four months and one day from the date of issuance in accordance with applicable securities legislation.

Completion of this Offering is subject to a number of conditions, including, without limitation, receipt of all necessary regulatory approvals.

None of the securities issued in the Offering will be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), and none of them may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This news release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.
