

Inspiration Completes Diamond Drill Program at Rottenstone North Gold-Copper Project; Samples Submitted for Analysis

Vancouver, British Columbia--(Newsfile Corp. - July 7, 2026) - **Inspiration Mining Corp. (CSE: ISP) (WKN: A40GPX) (OTCID: ISPNF) ("Inspiration" or the "Company")** is pleased to announce the successful completion of its recent diamond drilling program at its 100%-owned Rottenstone North Gold-Copper Project (the "**Project**") in Northern Saskatchewan. (see news release May 15, 2025)

Core logging and sampling have now been finalized, and all samples have been shipped to PMC Labs in Maple Ridge, B.C., an independent accredited analytical laboratory, for sample preparation and geochemical analysis.

The Company anticipates receiving assay results over the coming weeks. Once all analytical data have been received, verified, and interpreted by the Company's technical team, the Company will report the results in a subsequent news release.

Charles Desjardins, Chief Executive Officer, commented, "We are very pleased to have successfully completed this phase of exploration at the Rottenstone North Gold-Copper Project. We look forward to reviewing the assay results once they are received from the laboratory. We appreciate the continued support of our shareholders and will provide updates as additional information becomes available."
