St-Georges Provides Update on Annual Financial Filings and Announces Receipt of Management Cease Trade Order

FOR IMMEDIATE RELEASE

Montréal, July 31, 2026 – St-Georges Eco-Mining Corp. (CSE: SX) (OTCQB: SXOOF) (FSE: 85G1) announces that its consolidated audited financial statements for the fiscal year ended March 31, 2026, including the related management's discussion and analysis and the related Chief Executive Officer and Chief Financial Officer certifications have not be filed by the required filing deadline of July 29, 2026.

The Annual Financial Statements were not filed before the Filing Deadline due to unforeseen delays in the completion of the audit. The delays are primarily attributable to the complete change in management in one of the Company's wholly owned subsidiaries, which resulted in a lack of continuity with respect to the subsidiary's accounting records and financial information, requiring additional audit procedures. The Company is working diligently with its auditors to complete the remaining audit procedures as soon as practicable.

The Company expects to file the Financial Documents, on or before September 28, 2026, and will provide updates as further information becomes available.

The Corporation applied to the applicable securities regulatory authorities and received a management cease trade order ("MCTO") against the Corporation's Chief Executive Officer and Chief Financial Officer, prohibiting them from trading in securities of the Corporation. The MCTO will remain in effect until the Financial Documents are filed and require that the Financial Documents be filed on or before September 28, 2026.

Until the Financial Documents are filed, the Corporation intends to issue bi-weekly default status reports in accordance with National Policy 12-203 – *Management Cease Trade Orders*. The Corporation intends to satisfy the provisions of the Alternative Information Guidelines during the period it remains in default of the filing requirements. The Corporation confirms that there is no other material information relating to its affairs that has not been generally disclosed.

Other than as disclosed herein, the Corporation is up to date in its filing obligations.
