ONE WORLD LITHIUM ANNOUNCES ENGAGES ICP SECURITIES INC. FOR AUTOMATED MARKET MAKING SERVICES

VANCOUVER, BC – November 4th, 2026 – One World Lithium Inc. (CSE: OWLI) (the "Company" or "OWL") is pleased to announce that it has engaged the services of ICP Securities Inc. ("**ICP**") to provide automated market making services, including the use of its proprietary algorithm, ICP Premium® in compliance with the policies and guidelines of the CSE Exchange ("CSE") and other applicable legislation. ICP will be paid a fee of $7,500 per month, plus applicable taxes, payable monthly during the term of the agreement. The agreement between the Company and ICP was signed with a start date of November 3rd, 2026, and is for an initial term of twelve (12) months (the "Initial Term") and shall be automatically renewed for subsequent one (1) month terms (each month called an "Additional Term") unless either party provides at least thirty (30) days written notice prior to the end of the Initial Term or an Additional Term, as applicable. There are no performance factors contained in the agreement and no stock options or other compensation in connection with the engagement. ICP and its clients may acquire an interest in the securities of the Company in the future.

The Company also confirms that ICP did not hold any securities of the Company on November 3rd at the time of engagement and that notwithstanding ICP and its clients may acquire an interest in the securities of the Company in the future as previously disclosed. In addition, the Company confirms that during any subsequent one-month renewal terms under the agreement, the consideration payable to ICP will remain $7,500 per month, plus applicable taxes, consistent with the terms applicable during the initial term.

ICP is an arm's length party to the Company. ICP's marketing activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. ICP will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

About ICP Securities Inc.

ICP Securities Inc. is a Toronto-based CIRO dealer-member that specializes in automated market making and liquidity provision, as well as having a proprietary market making algorithm, ICP Premium®, that enhances liquidity and quote health. Established in 2023, with a focus on market structure, execution, and trading, ICP has leveraged its own proprietary technology to deliver high-quality liquidity provision and execution services to a broad array of public issuers and institutional investors.

About One World Lithium Inc.

One World Lithium Inc. is developing proprietary lithium extraction technologies and pursuing strategic partnerships to commercialize lower-impact, scalable lithium production from brines and clay slurries. For more information, visit: https://oneworldlithium.com/.

Forward-Looking Information: This press release may include forward-looking information and forward-looking statements within the meaning of applicable Canadian securities legislation. Such forward-looking information includes, without limitation, statements relating to future plans, objectives, expectations, estimates and projections. Forward-looking information is based on certain material expectations and assumptions made by management of the Company, including, but not limited to: (I) the engagement of ICP to provide automated market-making services; (II) the anticipated benefits of the engagement, including improved liquidity and more orderly trading of the Company's common shares. *Although OWL believes that the expectations and assumptions on which such forward-looking information is based are reasonable, there can be no assurance that such expectations or assumptions will prove to be correct, and undue reliance should not be placed on such forward-looking information. Forward-looking information is subject to a number of risks and uncertainties that could cause actual results and future events to differ materially from those anticipated in such forward-looking information. Such risks and uncertainties include, but are not limited to: (I) the failure to obtain required regulatory or Exchange approvals; (II) the possibility that the market-making services will not improve the liquidity or trading of the Company's shares as anticipated; (III) early termination of the agreement; (IV) general market volatility and (V) changes in economic conditions. The reader is cautioned that assumptions used in the preparation of forward-looking information may prove to be incorrect, and that events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties and other factors, many of which are beyond the control of OWL. All forward-looking information contained in this press release is made as of the date hereof, and OWL does not undertake any obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking information contained in this press release.*

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release
