

WEST MINING EXECUTES AGREEMENT TO SELL JUNKER PROPERTY

Vancouver, B.C. – October 8, 2026 – West Mining Corp. (“West Mining” or the “Company”) (CSE: **WEST**) (OTC: **WESMF**) is pleased to announce it has executed a property purchase agreement (the “Agreement”) with Hi-View Resources Inc. (“Hi-View”; CSE: **GXLD**) and Zeal Exploration Inc. (“Zeal”, Hi-View’s wholly-owned subsidiary; collectively, Hi-View and Zeal are the “Purchaser”) dated as of October 1, 2026, pursuant to which West will sell all of its right, title and interest in and to the Junker Property to the Purchaser. As consideration for the Property, on closing West Mining will receive a cash payment of \$7,500 and an aggregate of 125,000 Hi-View common shares. When issued, the Hi-View common shares will be subject to a four month hold period in accordance with applicable securities laws and the policies of the Canadian Securities Exchange. Closing of the transaction is anticipated to take place on or before October 16, 2026, and West Mining will provide an update when warranted.

About West Mining Corp.

West Mining Corp. is a mineral exploration company currently exploring for copper, gold and silver on its 100% owned Spanish Mountain West Property in central British Columbia. West Mining also holds a 100% interest in the Kena Property, which it has optioned to Upside Gold Corp.

The Canadian Securities Exchange accepts no responsibility for the adequacy or accuracy of this release.

Certain statements contained in this press release constitute “forward-looking information” as such term is defined in applicable Canadian securities legislation. The words “may”, “would”, “could”, “should”, “potential”, “will”, “seek”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, “expect” and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company’s current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company’s mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking

information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
