

FOR IMMEDIATE RELEASE

VSBLTY Announces Revocation of Cease Trade Order and Resumption of Trading on the CSE

PHILADELPHIA, PA, October 8, 2026 – VSBLTY Groupe Technologies Corp. (CSE: VSBY) (OTC: VSBGF) (Frankfurt: 5VS) ("VSBLTY" or the "Company"), a leading software provider of AI-driven security and analytics technology, is pleased to announce that the British Columbia Securities Commission ("BCSC") has revoked the full, final, and comprehensive cease trade order ("FFCTO") previously issued against the Company, and that trading of the Company's common shares on the Canadian Securities Exchange resumed on October 6, 2026.

The FFCTO was issued in connection with the Company's delay in filing certain required continuous disclosure documents. The Company has now completed and filed all required continuous disclosure documents with the applicable securities regulatory authorities and is in full compliance with its ongoing reporting obligations.

Trading of VSBLTY's common shares on the Canadian Securities Exchange resumed at market open on Sunday, October 6, 2026. The Company's shares continue to be quoted on the OTCQB Marketplace in the United States under the symbol VSBGF and on the Frankfurt Stock Exchange under the symbol 5VS.

The Company appreciates the patience and continued support of its shareholders during the period in which trading was halted.

CEO Quote

"We are very pleased to announce that the cease trade order has been revoked and that our shares have resumed trading on the CSE," said Jay Hutton, Co-founder and CEO of VSBLTY. "We thank our shareholders for their patience and continued confidence in the Company."

Mr. Hutton continued: "VSBLTY is in the middle of a significant inflection point. The global demand for AI-driven security, analytics and sensor fusion solutions has never been stronger, and our pipeline of commercial opportunities across multiple regions — including the Middle East, India, the Philippines, and the United States — reflects that momentum. We are optimistic about the period ahead and believe we are exceptionally well-positioned to capitalize on the accelerating market demand for intelligent, silicon-agnostic security platforms. We look forward to updating shareholders as we execute on the opportunities in front of us."

The Company will continue to provide updates to shareholders as it advances its commercial initiatives and strategic partnerships.

About VSBLTY Groupe Technologies Corp.

Headquartered in Philadelphia, VSBLTY (CSE: VSBY) (OTCQB: VSBGF) (Frankfurt: 5VS) is a software provider of AI-driven security and retail analytics technology. Leveraging its proprietary computer vision and machine learning platform, VSBLTY delivers real-time object detection, facial analysis, audience measurement, and multi-sensor data fusion for defense, public safety, retail, and smart city applications. The Company's silicon-agnostic software runs on Qualcomm, NVIDIA, Blaize, and Intel platforms. For more information, visit www.vsblyt.net.

Forward-Looking Statements

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements regarding the Company's expectations regarding its business, operations, strategic partnerships, commercial pipeline, and market opportunities. Forward-looking information is based on certain assumptions and is subject to risks, uncertainties, and other factors that could cause actual results, performance, or achievements to differ materially from those expressed or implied by such forward-looking information. These risks include, but are not limited to, general economic and market conditions, changes in technology, competition, the ability of the Company to execute on its business plan, and other risks detailed from time to time in the Company's public filings. The Company does not undertake to update any forward-looking information except in accordance with applicable securities laws.
